

A Message From the Secretary

Dear Reader:

This is the age of information. Readers and researchers have a wealth of information at their fingertips through libraries and computers.

To help you find Illinois government documents, I am pleased to provide this comprehensive guide to Illinois state publications. By Illinois law, copies of state government publications are to be filed with the Illinois State Library. The following preface gives you information on obtaining them.

If you have any questions regarding this publication, please contact the State Library. Other information regarding programs and services of Illinois libraries and the Secretary of State's office can be found at our Web site at [http://
www.cyberdriveillinois.com](http://www.cyberdriveillinois.com)

We look forward to serving you.

Sincerely,

JESSE WHITE
Secretary of State and
State Librarian

PREFACE

Following is a list of Illinois publications deposited with the Illinois State Library from January through December 2005. Publications received in sufficient quantities for distribution are marked with an asterisk (*) and are available at the Illinois Document Depository Libraries. Items marked with an 'e' are ephemeral and may not be retained by all depositories. Items marked with a dollar sign (\$) supersede previous issues. *All publications listed are available for use or loan at the Illinois State Library.* Publications needed for personal use or for another library's collection should be requested directly from the issuing agency.

Publications are in alphabetical order according to the keyword of the issuing agency. "See" references and OCLC numbers have been added for your convenience. All publications received on microfiche are listed in a separate section at the end of the listing.

Questions regarding this publication or the Illinois Document Depository Program should be directed to: Illinois State Library, Collection Management, 300 S. Second St., Springfield, IL 62701-1796, (217) 782-6304.

KEY: * Sent to depository libraries @ Serials \$ Supersedes previous issue e Ephemeral
